NWHA
NORTHWEST HYDROELECTRIC ASSOCIATION

Northwest Hydroelectric Association

2007 Annual Conference

February 20–22, 2007
Hilton Portland
Portland, Oregon

Hydro in Motion: New Directions in Compliance and Generation

The Northwest Hydroelectric Association is comprised of hydro leaders from around the region. It is a vibrant and dynamic organization helping to improve hydro delivery in the Pacific Northwest. Now, as many projects face federal relicensing, it is an even stronger regional force.

The Annual Conference is the high point of the Association's year. The conference provides a forum for a wide range of water resource stakeholders to come together to assess the possibilities that lie ahead.

The Annual Conference also offers unique opportunities for those organizations active in hydro to take a more prominent role and to demonstrate their leadership and support.

Hydro Showcase Opportunities

A limited number of companies can showcase product or service offerings to conference attendees through 8' x 10' Hydro Showcase spaces. Cost is only $735, which includes one full conference registration.

The Showcase spaces (each with skirted table and 3' high side rails) are located in the break and lunch areas. This provides the opportunity during breaks to interact with delegates interested in the featured capabilities.

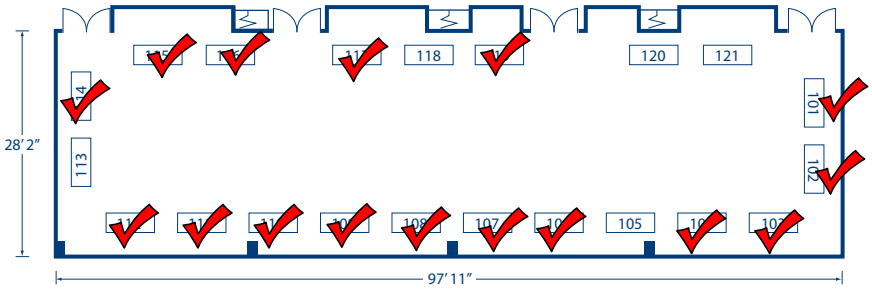
A listing of all Showcase companies will be included in the on-site conference agenda and on NWHA's website.

Sponsorship Opportunities

Companies who would like to make a highly visible statement of their support of NWHA are invited to become Conference Sponsors. The cost of Sponsorship is only $350.

Conference Sponsors will receive logo recognition on the NWHA website as well as in conference signage and the on-site conference agenda.

Take advantage of these opportunities to show your support!



Yes, please count on my support! I would like to reserve a:

☐ Hydro Showcase Space ($735) Space Preference _____
☐ Conference Sponsorship ($350)
☐ Check enclosed
☐ Charge my ☐ MasterCard ☐ VISA
